

“By the name of Allah (God) Almighty, I hereby pledge and declare that I have completed the Midterm Exam independently. I have not engaged in cheating, plagiarism, or received unauthorized assistance in any form. I further declare that any use of AI tools was limited to a supportive role (such as for grammar checking or debugging), and that the final solution is the product of my own intellectual effort. I understand that I will accept all consequences if I am found to have violated this academic integrity pledge.”
